(Phone Message – Feedback on JCBRC Website)

Your website is incredible! I was amazed at the number of useful tools and information that's available in the many layers of the site. You've put so much work into this you should think about packaging the model. L N

You need to clone yourself! Great job! S A

Thanks for all the contacts and leads. Chase is most interesting along with the job assistance programs. I think it is important to have a dialogue with our Congressmen but at this time I need to focus on growing the business first. Ironic isn't it that our focus is on getting financial support and in the long term this could help others also, but right now we have no time. Thanks for all your advice. H H

Hi Denise,

Thanks for taking the time to talk today. I checked and we did NOT talk with Chase. So, if you can start that discussion, I would appreciate it. H H

Denise,

I did receive this email. Wow! Thank you for all the info. I will be sure to pass this on to my son. Thank you for your swift reply. It was a pleasure to speak with you on Friday and look forward to meeting you sometime in the future.

Regards, D L

Good Morning,

Thank you so much for all the information you have provided. It certainly will be a big help as we fine tune our plan. We look forward to updating our plan and meeting with you again soon. We also plan on attending the SBDC classes next week, maybe we will see you then. Thanks again, M E

Denise,

Thank you for sending me such useful information. Regards, T A

Denise,

Thanks again for all your great recommendations. I waited to get back to you till I'd done most of the homework! We have made the website edits and gotten on yahoo, Google and msn. I'm looking at some of the listing services to find the ones I think would be good for coaching. We're also registered on Google yelp. Next steps include some graphic design help with the first page logo and the model. Do you have time in the next week or so for me to drop by or talk by phone to discuss how to pursue some of the speaking opportunities like the micro-consultant program etc.? I'm available for lunch Wed or Thurs 30th or 31st or I could come to your office either of those afternoons about 3 or 3:30?

In the interim, I'm creating a prospecting campaign for companies who have been on the Best Places to Work lists. However, they do not have email addresses. Other than checking websites, do you have any other tricks for finding email addresses? I look forward to catching up! Thanks, M R

Denise, thank you so much for meeting with me, providing an overview of Economic Gardening and sharing your expertise. Also, I so appreciate all of the information you've provided below which I will review and implement as I start my consulting business. In the meantime, if you have any volunteer opportunities working with any of your small business clients and/or help with your various programs, I would be very interested in participating and gaining credibility in the consultant area. I've attached my resume, bio and position statement for your files. Just as a point of clarification, what are the requirements for you to list and recommend a consultant to Jefferson County small businesses?

Again, Denise, you far exceeded my expectations in providing me with your counsel, feedback and resources. I'll be back in touch once I've had a chance to review these documents with any questions about next steps. I hope our paths cross again soon. V K

Denise,
I did receive the e-mail. Thank you so much! I will work on a business plan and be in touch. Thanks again! E A

Thanks so much, Denise. I appreciate your quick response. I'll contact both Amy and Jayne for some other possible contacts. Best to you B M

Your written communications are exceptional...and understandable! What a talented woman. All the best, L D*

Denise,
Thank you for the follow up. And I enjoy being on the list. It keeps us informed and I forward the information on to my Bankers so that they can communicate it with our clients. Again thank you for everything! P S

Denise,
I was great to meet with you! I'm glad we got a chance to talk. I have a copy of the BEST seminars at my desk for my customers to see and I plan on attending most of them myself. I will be at the April 14th, "Branding: The Science of Buzz" and I will be bringing one of my clients! Please let me know if you have anything else going on that may benefit my clients. I will be in touch and look forward to working with you! Best regards, R T

Perfect and thank you so much. Highest Regards, M K

Hello, Denise!
Thanks for calling Brooke. Please tell me what she says about possible assistance with a lap top or transportation (either way). Thanks! Have a great afternoon! M G

Denise. Thanks so much. Yes I received your information. Great job! P M

This looks great! Thank you for helping us spread the news. Thank you for all you've done. L R

(Response to the opening of the JCBRC satellite office at the Arvada Chamber)

Hi Denise,
I think this is very exciting and will help us serve the business community in Arvada. Thanks for all that you do to support the business community! B H

Hello, Denise!
Thanks for all the time you gave me on the phone and for all of your ideas! Also, thanks in advance for sending me all of the information to my E-mail address. M G

Thanks Denise for calling me back today and all the information. Looks as if I have an abundance of homework to do. I am torn between unemployment seminars and starting a business right now so there is a lot to think about. There is plenty to consider. Thanks again, G S

Thanks Denise! This is very helpful. I will get on these items. Yes, the separation of the two types of services is not delineated and your suggestions are very helpful. Thanks!!! J D

Thanks for the info. We will use the .net. Sorry so short today but super busy with the other company's today. Sincerely, R C

Thank you - this is really helpful. We are going to try to meet next week. K M

Have a great weekend!
Thank you Denise & Heather, this is really helpful. Heather, I think Todd is close to giving up control of my books :) When he decides he can't do it all, I will call you to set something up. Thanks again! K M

Mrs. Stephens,

Thank you so much for your time and all your help. I'm sure these attachments will be very useful. I will respond with a draft for a business plan as soon as possible. Thanks again. Sincerely, S H

Thank you for the Hydrangea and for taking time to come help us celebrate the opening of our offices! K M

(Hand-Written Note)

Denise,

Thank you for the time you spent with me this week. As always, very helpful. Looking forward to growing business in our community! J D

Denise,

I'm reviewing your comments and suggestions....what an amazing gift!!! I'm meeting with my contractor this aft to begin an implementation plan! I'll keep you posted and as we get into it, I'll have more specific questions. I had a Sunday school teacher in my youth who made up Bible Books and verses....she always quoted "Hezekiah 3:5 "He that tooteth not his own horn, the same shall not be tooted"! I can clearly see that I can significantly improve my visibility and grow my business with your guidance. Again, my deepest thanks!!!! M R

Dear Denise,

Thank you for considering me for this event. I look forward to hearing more about it. My computer had frozen so I am not sure if you received the last response or not. Look forward to talking to you soon. V R
Sounds wonderful! Thank you for considering me for this event. VR

Thanks Denise. This information is very helpful. I appreciate you taking the time to send all the information. I've completed most of the paperwork, aside from the Jeffco Assessor's paperwork. I'll attend one of those workshops Jeffco offers.

I hope you have a great weekend! Thanks, T J

Hi Denise,

Thanks for the congrats! Thanks also for the information on filing as a non-profit. I had no idea that this was an option. I'll take a look at the business resource guide and other attachments. Who can I write to thank for such a great resource to the business community? This is such a wonderful service! All the best, V B

Dear Denise,

Thank you for the business report. This is very valuable information. I haven't forgotten anything we discussed in our meeting. I really want to get my new website launched before I send anyone else to it. The website will be up and running by the end of the month. Please keep me posted of any upcoming networking events or opportunities. I am working Jefferson County this week so I may not be able to respond immediately to any phone calls. Thanks again for all of your help! I look forward to speaking to you soon. V R

Denise,

Thank you sooo much! I'll study this and review with my social media contractor and web master and get back with you in a few days with updates and questions. Again, my sincere appreciation! M R

Thanks Denise, I will give her the info. She lives in Parker and was very jealous of the stuff you offer for free. (Move to a real county, babe, is what I thought). Have a great Valentines! C B

Thank you. I appreciate your follow up. Also, please revisit our website: www.xxxx.info. I think why some visitors are having problems are the pictures on the home page. I have paired that down a bit. We are also redesigning sections of the site as well so there are ongoing changes.

Thank you again. **M B**

Denise,

Thanks for taking time to have lunch with me and for your excellent suggestions! I look forward to your thoughts on my website and all the useful links! I'll get busy on my homework and will keep you posted on my progress. Please also let me know how I can support you and the tremendous program you've created. Sincerely, M R

Hi Denise,

Thank you for your help. I will use the list to see if there are any events that align with _____ and try reaching out to those sponsors. Thanks again. Have a great day. J W

Hello Denise,

I wanted to say thanks as well! I enjoyed working with all of the attendees. I think this program will be a great value to all organizations. Have a great week! H G

You're welcome and *Thank You* for helping create, sponsor, and coordinate the event. I agree, the people I met with were very open in their discussions and I believe they all took away ideas they could use. Great work team! M C

Denise,

I enjoyed meeting you! Thanks for all your sage advice and contact information. I will be in touch again soon... Sincerely, A G

Thank you so much Denise!!! D W

Denise,

Thank you so much for the information. It will be very helpful. Sincerely, J R

Thank you for your help Denise. A W ☺

Thanks Denise you are the best! M H

Denise: You are such a pro. We cannot thank you enough for your time, expertise, "going above-and-beyond" to provide such great service to us!! I really value you, your work. P B

Thank you Denise. It was indeed a pleasure to meet you as well. I thought your critique was excellent. I look forward to future consultations with you. J B

Thank you I will forward this to him, I like the format...another great tool you use! J R

Denise - I did receive the communication. Thanks again. I will be in touch. R H

Denise,

I am grateful for your reply (about our Approved Business Listing), I respect your decisions and everything helps. Have a great weekend. M K

Dear Denise,

It was also a pleasure meeting you on Friday. You were very informative and I am happy that I had the opportunity to meet with you. I am looking forward to getting a new website, and going through the visibility check and information you have sent me. Thanks again for your help. I look forward to a long relationship, and thank you for the referrals. V R

Denise: Thank you so very much. P B

Denise,

Thank you for all the attachments. They came through just fine. I will look over all the information. At this place and time, we are seriously looking at other employment. I was just offered a job and will start part time on Monday. Tom is in the process of scouring the internet and looking for jobs in his area of expertise. Should things change and we decide to stay self-employed, I will call you to make an appointment. Again, thank you. PU

Thanks so much, Denise. Not surprised about the visibility rating. That needs to be a priority this year. I'll be looking this over next week. Best regards, J K

This is great Denise! Thanks, J C

Thank you so very much for all of your help, Denise! J K

Denise,

Thank you for your review. I have revised the points you mentioned, but still have a lot of trimming left. I was concerned about the cash flow being too rich and have added additional expenses to the cash flow chart. Do you know where I can find relevant current statistical data on the ammunition industry or consumer buying habits? I am bringing the _____ manufacturer to the _____ Denver to research the customer buying habits and competition's marketing strategy. I'll be attending the start up business class on the 8th of February. I can personally finance the business and underwrite the financing for manufacturing facilities in ____ and _____. If this business is something I am going to pursue, what is my next step? You have been a great resource. Thank you again for your time, energy, and expertise. Sincerely, B D

Glad to have had your help on so many levels! See you soon. J D

Hi Denise,

Thank you very much for our great meeting Wednesday. You were so insightful and provided us with a lot of valuable information; I very much appreciate it! I'm working to complete a final affinity proposal for you to take to the board and additional information on our UK and Australia programs with the government. Today, I talked to _____ from _____ at length and he referred me to the _____. His concern was whether or not there was money available to partner with the private sector when the _____ exists. I'll follow-up and find out the situation with the _____ and get back to you! I will also follow up with Franchise Contact, too! Hope to connect with her on Monday of next week! Hope you have a great weekend and I will be in touch with you soon, and of course, get everything to you prior to March 14th. To Your Success, E S

Thanks for your response Denise! We've been building our business plan with a great outline from SCORE, and look forward to your guidance refining it. I'll give you a call later today to discuss specifics about our business and how you might be able to assist us. Thanks again, A G

Denise: Thank You for sending me the complete masters list. I appreciate all the help and your time that you put into this. If I can help you in any way please be sure you call on me. THANK YOU: C S

Denise,

Thanks so very much for your time on the phone today, and for all of the great ideas. I am looking forward to possibly delivering some valuable presentations for you and your sponsors at some point in the future.

Per our discussion, I'd like to make sure that I am priced appropriately for the small business sector. I have attached my current 'Pricing Packages' cheat-sheet. It is not something that I send out to clients, but has been more a talking paper for me when I speak with clients to understand their needs and make a package recommendation. I like your idea for an introductory offer, or initial consultation package for around _____. I will work on that and, if you are open to looking at it, will run it by you for feedback. Thanks again, Denise! J K

Denise,

I wanted to let you know that I have a meeting with _____ at _____ on the 19th. Thank you for the lead and I will let you know how things progress. THANKS J D

Thank you Denise! K G

Thanks so much for the invitation. Indeed we have been too busy to think about much of anything else besides getting the office up and running. I have submitted an application. Thanks too for the listing of names for our mass mailing. Some of the mailings have already gone out. K G

Denise -

Thank you so much for this data - it's perfect! Have a wonderful Holiday season. Take care, D S

Hi,

The list you sent is very helpful. I will buy the software necessary to validate it for the MOVE requirement. I was just looking to save that expense if possible. Best regards, C S

Thank you Denise for your assistance with the mailing list as well as the other information. I'm sure it all will be valuable as we grow our medical practice. We are actually supposed to be on Google and Yahoo at the tops of the page but I too haven't seen us appear yet. I need to check on them once again. Please feel free to stop by our practice at your convenience. I would love to show you around. K G

Thanks for all the info! I would like to meet in December... Thanks for your help! F C

THANK YOU!!!!!! I look forward to meeting you sometime soon. :) Warmest Regards, L M

Denise,

You're the best Denise, thank you so much! DP

Hi Denise,

Thank you, it was a pleasure meeting you and visiting about my business. I will follow up with the Business Services for Jefferson county Employees very soon. I'm close to putting all the final touches together for the website. I will be using Web Press for the platform (is that the right word?) and I appreciate the suggestion for using my name in my domain and will have _____ as the "hub". I just took a class on social media for business and have a new take on how to do what I want to do for my business. Peace, N T

Thanks Denise,

The listing looks good! A M

Denise,

Thank you for the quick turnaround on this! I was able to open all attachments and appreciate the information. Sincerely, L L

Fabulous...thanks doll! You are the best! N C

Thanks Denise, all received in good order. T S

Denise,

Thank You for ALL the information. I will research the list of things when I get a little time. Thanks AGAIN! R D

Hi Denise,

Wow! What a ton of information! I really enjoyed reviewing the materials you sent me. Some of it was a real eye opener about my business and some of it was exciting to see how I can jump start my business!

I would like to take some time to look over the materials, again. But this time focusing on more detail and actually trying out some of the suggestions found in the info you sent. I will need a couple weeks to do this. Perhaps we could schedule something on Friday, November 19th? At that time, I confident I will be bringing with me to the meeting, a lot of questions... P H

Good morning Denise,

Thank you so much! I appreciate all the information you have included, and hope that this listing will assist in new business as well. Take care, D V

Denise,

Thank you for the speedy response on this. In the future I will give you more lead time. Have a great vacation, thank you again, J S

Denise,

This is wonderful, I so admire your ability to compile documents... Thank you, J R

OMG! I apologize. I thought you just forgot about me...I never received any of this. Wow! I'm not sure how/what happened??? I even said to my husband how disappointed I was that I never got a follow up. I was really feeling like I wasn't accepted in Lakewood.

Gosh, thanks again, Denise, for your follow up! I really really appreciate it. Thank goodness I took the survey! Again, my deepest apologies. (I promise, I never received any of this...I'm sure it's lost out there in cyber space somewhere). P H

Hi Denise-

Thank you so much for all of the information. This is a great service that you provide and I've already recommended it to a couple of people including P J and V R of B B.

I'm no surprised that my website didn't rank well. I've never really used it to get business since everything has been through networking. This is a good wakeup call that I really need to redo my site for marketing purposes as well.

Thanks again for everything. I'm looking forward to meeting with you again. L O

Hi Amy and Denise,

Thanks so much for taking the time to visit. I am so appreciative of all the help you both are offering us, and have given us. Please do let me know what you learn about the tax returns. That would be so incredible!

Thanks,

M P

(Hand-Written Note)

Denise,

I know how valuable your time is and I want to let you know how much I appreciate all of the time you spent with me in our meeting. Your suggestions were invaluable and gave me so much to think about and helped point me in directions that I hadn't even considered. I feel rejuvenated and more hopeful about the options I have for the direction of my business. I really look forward to a growing relationship with you and the Jeffco Business Resource Center. Please feel free to let me know if there is anything I can do to support you. Best regards and than you again. L O'M

Thank you, Denise for your promptness on this. I am eager to review this information. M C

Hi Denise – Thanks for thinking of me and sharing the announcement from Constant Contact. I DID receive a note from them on this, but I hadn't opened it yet. When I saw your note, of course, I opened it right away and was glad you brought it to my attention. I am a Constant Contact user and have been using some of the social media features they rolled out over the past couple months. But, it looks like they've added more since my last issue went out on September 15 – so I'll be sure to take advantage of ALL of them in my next issue, which goes out tomorrow. Speaking of which, I better get cracking!

Thanks a bunch! D D

Hello Denise,

I wanted to let you know that all the files came through. Thank you so very much for the info! J D

Denise,

Thank you so much, I got it. I just needed to know if there was a specific zoning or business license that was needed to practice other than the one she has from DORA to practice. I appreciate you! N H

(Hand-Written Note)

Dear Denise,

Thank you for your time to discuss our _____ services. I value you as a resource and hope that we can provide additional benefits to you and the Business Resource Center for years to come. Best regards, M C

Thank you!! Yes, she called yesterday. They should be pretty fun to work with. Thanks again! K M

Thank you Denise, this is tremendous. M C

Denise,

Following on to your last email to me, I am going to contact C P at the CEF today. Although I am not entirely familiar with the fund I have seen it on some of the symposiums that I go to and also in some of the literature and propaganda that I read. I don't know if they have any need for my services but I think it would be nice to offer and perhaps become a referral for them. In addition to working with the CEF please let me know if there is anything that I can do for you or if there is anything else. Thank you once again for your support and direction.

Truly, C G

YOU ARE THE BEST! Thank you! **K M**

Wonderful, thank you! It would be so great if one of these would be willing to take us on as a pro bono client. I'll keep you posted! Have a great evening, **M P**

Hi Denise,

Thank you so much! I can't believe how quickly you were able to get this together for us! I'm looking at the 500K plus list, and I think that it only got Arvada. Let me know if I'm looking at it wrong. Thanks again, and I look forward to meeting you in person. Take care, **M P**

Denise,

I have received your email. Thank you for the information, I will be in touch as necessary. Thanks again! **T F**

Denise,

Thank you so much! I'll pass this information on to our leadership. Have a great day! **R F**

Hi Denise,

First, I want to apologize for not following up on our meeting a few weeks ago. I do appreciate the time you afforded me in early September, and hope that I can apply some of your suggestions to improve the presentation of my business.

Best regards, **B C**

Thank you, Denise, for getting back to me so quickly on this. I'm proud to be included on the list of Approved Businesses. I will work this into my strategy so that I can take full advantage of this privilege, as well as bring attention to the Jeffco BRC site and offerings. If you have suggestions or guidelines for doing so, just let me know. Thanks! **D D**

Thanks again for everything. **M P**

Thanks so much --- it was encouraging and helpful to meet with you. This info will be a great help. When we get a chance we will have to drop off some _____ for you. Have a great day. **M & F P**

Hi Denise,

Thanks for the links. I incorporated them into my presentation. I am constantly amazed at the resources I finished the rough draft today and I am working on the details of the case study now. I am amazed at the resource that you provide and I intend to spread the word! Have a great day! B H

Denise,

Thank you very much for the information. I am hopeful that we can open in December. P VG

Hey Denise,

Thanks so much for the information. I didn't expect mailing labels to be printed as we will print the address directly onto the flier. Thanks!! R G

Thanks Denise for helping Peter for me Denise! L S

Denise - Thanks so much for your follow up! I'm fully motivated at this point to proceed. Thanks for your input. I'll let you know how things are going. C L

Denise,

Thanks so much for your time today. Hope the brownies went over well! Went to Whole Foods and Vitamin Cottage, and there's no such thing as gluten-free graham crackers. Would be too expensive to make my own, so I'll try experimenting with something else - maybe cereal? I'll have to give it a shot. The gluten-free cereals are made with rice flour, and that could be a problem, since rice flour doesn't hold together very well. I tried an alternative chocolate chip cookie recipe one time with rice flour and it was a disaster. I added regular flour until I got it to stick together, but they ended up like almond roca instead of cookies. My daughter and her friends had fun breaking that into pieces! Anyway, thanks again for your time. I'll let you know how things progress. Sincerely, C L

Hi, Denise:

Thanks for sending S W ("M G") to me...I'm going to be working with her on SEO. I appreciate your support! J C

Dear Denise,

I want to apologize for the amount of time it has taken me to get back to you for assisting me. I would like to thank you for the amount of time and effort that you put into it. I know that you took time out of your schedule to do this as a favor to me so that I am able to look professional. Sincerely, Morgan St.Louis

I have left a message for her-it will no doubt take a few more. Thank you so very much. I will inch forward and a sincerely appreciate your help. R R

Hi There,

I just wanted to thank you for all of your information yesterday at the Chamber luncheon. I am the one who asked if you were a non-profit by the way. It was really informative! Have a great weekend! **Sincerely, A S**

Thanks Denise! I do think that sec of state form is what my boyfriend Jim was referring to. Thanks I will contact them. The business is looking better and the website is about 70% complete. We are very excited and I took your advice about the logo and lettering being slanted. When we get it up and running I will send you a link. We also are debating on adding _____ as well- just a small _____ facility on premise with our home. I think that'd be a great way to bring in passive income since my _____ service will be a slow start most likely. We shall see how it all rolls out but I am confident it will be a fun new challenge for us both! K H

Hi Denise -

Thanks so much for helping us out today. I had great feedback from some of the attendees, and a few said they would be contacting you. Thanks again! Have a great weekend! I'm out until Monday.

A L

Awesome! I do appreciate you making the change, as I know you are busy. R G

Denise

Thanks for the e-mail I will look at the info and see what I can do. My computer crashed and I am checking e-mails at the library. G P

Hi Denise,

I hope you had a nice holiday weekend. Thanks for the information. I will look it over and let you know if I have any questions. I will plan on giving you a call in October to setup a time to talk. Have a great week, **H G**

Hi Denise I want to thank you for letting the _____ have the opportunity for any business leads we may get from your site!!!!!!!!!!!!!! Thanks Sincerely Owner *D L*

Denise -

Thank you so much for forwarding the emails. I did get the attachments you sent. I want to look these over and write a business plan. How about I let you know about an appointment on during the week of September 13? Please let me know of any ideas you have. I'll be glad to do the footwork because I know you are busy.

Thanks for your help. I will work on a draft business plan this coming weekend and contact you on the 13 to see what would be a good time to come in and meet with you. I'm happy to check in to the seminars as well. Sincerely, C L

Thanks ever so much for helping on this and so quickly. If all works out I will take you out to coffee.

Have a great holiday! J C-J

Thank you, Denise for all of this information. This is super helpful. This has been exciting to start, but this was one area we were clueless on. Thank you thank you! K K

Denise,

I thoroughly enjoyed our conversation yesterday. Thank you so much for your time and sharing your wisdom surrounding small business. I will review the information you sent me and get back with you if I have any questions, which I imagine I may have. Thanks also for the info on the Golden Chamber luncheon; I'll see if I'm able to attend. Take care Denise! S DW

Denise,

You have been a faithful supporter of my job search these last two years. It looks like my time at the _____ might be coming to an end. Yesterday I saw a part time position at the _____ for a marketing coordinator. Do you have any contacts there? I sent my application in yesterday and should have indicated you as a reference but forgot. Do you have any idea on how the hiring process works over there? I would definitely appreciate a good word and if you think I should send my resume to someone over there I would be happy to do that also. I'm just trying to figure out how to get to the top of the pile when I bet they get 200 applicants considering today's marketplace. Let me know if you have any ideas. J C-J

Hi Denise,

Thanks so much for this information and analysis. Cindy caught a couple glitches on the site and had some good suggestions. The keywords were a good reminder in particular. I haven't spent much attention on that because I thought SEO had left keywords far behind. We're in the process of updating now. **M T**

Denise, I'm so glad you liked the flowers. I just wanted you to know what a difference you make to a lot of people. Every time I refer someone to you, I thank my lucky stars that you're there to offer your expertise and resources. Jason couldn't say enough nice things about you. He told me his business is sending out marketing postcards this month using the names he received from you and he's very excited. See ya soon. :-)) L N

Thanks Denise! I really enjoyed our meeting and I'm excited about all of the ways that we can work together to help businesses. I will browse these links and try to figure out how we can increase awareness about the valuable service that you provide. Have a great weekend! B H

Hi Denise-

Thank you for your guidance. Attached is a flyer with just one of our training opportunities. The thing is this- we can definitely schedule a site-visit presentation with an employer if they're interested, so I stated that on the flyer OR they can join our _____ employers who have this training already scheduled. The next training is _____ on _____. I can definitely redo the flyer once we have more trainings scheduled. Thank you for your help-**L R**

Denise,

Thank you for the analysis. I was able to open the attachment. I'm not sure why the website wasn't working. I haven't accessed it in a long time. I have it through Microsoft Office so I will have to contact them to see what is wrong. If I cannot fix it through them, would I be able to open another site through another carrier? I would like to keep the address the same. Thank you for your help and for bringing in Cindy's expertise. It has given me good direction in which to move our company. **C D**

Good ideas, thanks Denise. **MH**

Thanks for your communication and adding our site to your www.jeffcobrc.org. Looks good and is correct. Followed the email link which opened correctly. Looking forward to continued growth and involvement with Jefferson County Business Resource Center. All the best in your efforts. D & T H

Denise,

Yes I did receive the Data base, opened it and every thing worked great & looks amazing. I can not thank you enough as this will really help out drastically in having the information ready for the initial sales campaign. The caterers, coffee & tea Business will also be very helpful & are already part of my planed market. The customer demographics as a beverage distributor do very from the corner market to fine dining and every where in-between; as they all sell beverages & in time I hope that my company will have the ability to be able to serve a variety of clients with a variety of great products. Although you know it all takes time, as well as planning, so with that I am back to fixing a very large excel sheet, as I had to change my main product management templates and added a "final" new calculating formula and need to make many adjustments, funny how 40 excel sheets can all merge in to one, then to 1 page Word/PDF document for a potential partner/investor & how much time is needed to get it right.

When I get my first shipment of _____ in, I will have to drop of a case or so of all the flavors for you; as I do have a sample budget planned for each product. _____ comes in four flavors - _____. Also I wanted just to show you my planned opening first few months product line again, while I did show it to you the other the other day it has the whole long term line up, it was in Slide Format on a Power Point so I'm not sure if you saw much this is a attached PDF page by page. Thank You again, Have a great 4th of July, J L

Thanks , Denise! Both those lines make great taglines :) J C

[Yes, I did receive this and have been out of town for several days-thanks so much for the feed back! J L](#)

Hello Denise,

Many thanks and no problem with the timing. I was out of the office almost all of last week, so I've been quite busy playing catch up this week. I just sent an email to _____ asking to discuss an SEO consultation, and I have a call to _____ on my calendar for tomorrow – so I too am a bit behind. I really appreciate what you're doing and I enjoyed the educational program. Many thanks, B P

Denise,

You are great and you are great for me.....after meeting with you, I made a serious business decision. I wrote out my business objectives for the next year to five yeas and to ten years. In doing so, I was able to truly evaluate my current position. Since, I have identified twenty five companies in Colorado that have one thing or another to do with Lead Generation and New Business Development Services. I am contact with each of them looking for the right it.....independent contractor, employee, consultant, principle partner, etc. I know nothing about SEO and PPC Electronic Marketing and believe it would be beneficial to offer it is a lead generation tool. Thanks for your help and I will keep in touch.....I will keep you posted on all developments. S D

Thanks Denise,

I will take a look at this. The logo would need changing too, since it had that "beyond" arrow going on.

I'll look forward to the information. Have a nice evening. J S

Greetings Denise,

_____ and I really appreciated the time you took in meeting with us and the many great ideas you shared. We are looking forward to integrating these in our marketing campaign and looking for added methods to increase our business.

I just completed the Jefferson County Business Vendor Qualification Registration and Assessment. This was on the existing website. I did notice that the Type Business requested question allowed for select answers and therefore I selected "Retail Trade". I looked for any ability to add in subcategories, such as: Gifts, Corporate Gifts, of the like but cannot see if this is an available option.

I included our address but as it is our home address would request that you use _____. We also can be reached by: _____. Once again, we greatly appreciate your comments and look forward to your review. If we can assist in any way please drop us a line or give a call. D & T H

Hi Denise,

Thanks so much, there may be hope for us yet! Be well! E D

Thank you Denise! I will keep you posted as things progress. C N C

Thank you Denise. That is a ton of information; we appreciate you taking time to talk with us. D & J J

Everything looks great! Thanks for your help. R S

Hi Denise,

Thank you for the excellent information. I agree that a professional opinion on the proposed business is a good idea and intend to use the contacts you listed in your email. Other good advice I received today was to take the time to meet you face-to-face and start a professional relationship. Do you have just a few minutes this week we could come to your office to speak with you? Thanks again, D & J J

Thanks for taking the time to review it. Strange errors...in the PDF's that I didn't see after creating them. Must be a Mac to PC thing? In July, I hope to get the business registered and a home business permit from the county. Once I get into the nuts and bolts of things, I will be sure to contact you if (when!) I have questions. The June 11th class was excellent. I learned a lot and will be using my notes when I set up my own website. Thanks, L-OP

Dear Denise,

Thank you for hosting the most informative presentation, "Buyer Behavior - Helping Your Customers Find You" at the Jefferson County Business Resource Center on Thursday, June 10, 2010. We enjoyed the information presented. We heard others discuss page ranking and SEO and found the statements presented to us, from Kim and Jennifer, offered greater clarity than in many other presentations we attended. We are excited to work with you and the JeffCo Business Resources Center. We will give you a call later today to set up a meeting and discuss out next steps. Sincerely, D & T H

Denise,

This list and resources are a great help. Thanks for your time and effort! You have been a tremendous help! D D

I received the updated information about Conifer and beyond. Thanks, Denise, for fitting this job in. Bless you. J S

Denise, it was such a joy to meet with you today. I just had a brief meeting with my business partner, _____. We are impressed with _____ resume. If it is appropriate, could you tell her about our conversation and suggest she go to our website and take a look. If she is interested, then she can give us a call...OR would you suggest I just give her a call.

Denise,

I get to move to the Lakewood Office on June 1 rather than waiting until July 1. I am very happy to be making this move and being able to use more of the info you gave me specifically the Google and Yahoo linking info. Hi Denise,

Thank you so much for all the information! I'll go through it tomorrow in detail. To answer your question, I am planning to offer after school cooking classes for 4 to 14 year old children. I will look into finding childcare for my children in order to attend the two classes you mentioned. And I will call you after my business plan is complete and I've read through the information you sent. By the way, I apologize if I sent the form in more than once. Sincerely, P G

Denise,

Yes I did get all the files. Haven't had a chance to review them all yet. Thank you for all your help. I am requesting that I can move to Lakewood June 1, instead of July 1. Hopefully that will be approved. I will be happy to finalize my location and not feel so much limbo. N E

Our home base is in Lakewood but we operate everywhere including out of state as well. I talked to the Town Manager and he recommended that I contact the local Chamber of Commerce branches near us to obtain further information. I apologize if our website was not helpful... I will pass on that information and hopefully get that issue resolved. Thanks again for the information, T H

I did get your email. Thank you so much! I'll pass this along to Larry as well, and see how we may be able to maximize our marketing efforts. Kindest Regards, Kelly

Denise,

Thank you for the list. I will look through what you sent and I may request for some additional information if that is fine. You sent me some direct mail contacts. Are these companies that have lists for purchase (for an internal mail out)? Or do they send postcards to a target audience that you specify? From your experience, is it worthy going through a direct mail out company or trying to do mail outs on your own? Thanks again for your help, V H

Hi Denise,

Denise,
Thank you very much. The referral looks great. May I ask a favor? I did not put my education credentials next to my name on the application and would really like to have them there for differentiation purposes. Would it be okay to have you stick the Ph.D. after my name and a comma (____, Ph.D.) I would greatly appreciate it and apologize for any inconvenience. I need to do this more and sometimes forget.

I am very excited about being a part of your web site and totally understand your reasoning for not including links to individual ones. There are people out there ready to make mischief! I hope to see you often, but will definitely give you feedback when the referral results in new business. And if I can help you with your marketing research needs, please let me know. Thank you again for the work you do in helping others to achieve their business goals! N F

Hi Denise,

I really appreciate your efforts in sharing that awesome list with me. We are making good use of it.

This same client also does quite a bit of business (and has a satellite office) in Douglas County and was asking about 80124. I am willing to go out and pay for it, but I thought I would check with you to see if there is another organization like JBRC in Douglas County and if they provide the same type of service.

Good point on my contact page – you are correct and I totally missed that one. Thanks for the business list. It will help me with some targeted cold calling. I hope to see you again soon. _____ provided me with his home office address: _____ Golden, CO 80403. Thanks again for your assistance. Have a nice evening! –M C

Denise,

Thank you very much for doing the Visibility Audit and Website Analysis. If it's convenient for you, may we talk by phone? I'd like to understand the audit/analysis in order to make the best use of your recommendations. I can see a number of ways to improve the site already. Best regards, A S

Denise,

Wow! This is so much more than I expected. Thank you so much for all your help and I will certainly be in touch. Do you think it would be appropriate for me to touch base with you approximately quarterly? Then we could go over what has worked and what hasn't and that might provide you with some more data too. If you think that is not necessary I would understand – just let me know what you think is appropriate. Thank you again for this. You rock!

Thanks and Regards, T M

Thank you Denise! We are quite honored to be included in your Business Referral List. **TR**

Denise,

Thanks again for meeting with me this week. I'm exciting about implementing some of your ideas. J S

Wow! I received it and was able to open the attachments, thank you! P J

Thank you for all you have done. I did get an email from ____ that said it was OK for _____ to have a table at this event. I will see you there. **Thank You, J K**

Hello Denise,

I received the attachments you sent over. Thank you so much for the great information, including the class schedule. I will make sure to fit some of those in. I'm still refining my website and business plan, so am working on them over the next few weeks. I will let you know when they are complete. Take care, M F

Hi Denise,

Thank you for your prompt response. The PO Box for the business is the Columbine branch of the US Post Office, located in unincorporated Jeffco. The physical address for my residence is _____, also in unincorporated Jeffco. The site that's currently up has been in place for nearly two years. I'm now doing an extensive re-write to focus on a few key client benefits that weren't apparent in the original version. What's the preferred way to coordinate the audit and analysis with my plans for a re-write? Are you available to speak by phone? Thank you, A S

Denise,

I received all of the attachments- thank you. I am already in the process of implementing several of the strategies listed. Once I get a little further along I would like to set up a meeting with you-maybe in May or June. I'll be in touch.

Thanks, M C

Denise,

Thank you for the information. B O

This is great, thank you very much for your help! Sincerely, B B

Hi Denise,

Thanks for getting back to me! Sorry, the contact info was still being formulated when I checked out the Jeffco website. I'm starting an environmental consulting business with my wife, leaving a much larger company and basically bringing my clientele with me (both commercial and gov't). Any additional info you can provide given the above would be greatly appreciated! Cheers, K H

Thank you! You are the best...I will put together some demographics and zip codes and get back to you. I really appreciate it. Things have been pretty good...I am hanging in there. I will tell you that the promotional product business saved me and has really helped sustain and even grow my business. I am getting more comfortable with the sales portion of that and see so much potential. I am setting up a game plan to get my story out there! Thanks again....Regards, M T

Denise,

Thank you, and I did receive your email with (6) attachments. I have also checked your website and the information for W Consulting is correct. Thanks again, D W

Thank you so much for all of your help. As soon as I have my business plan ready I will contact you. Thanks again, S S

Denise,

Thanks for your response. I am a resident of Jefferson County and my address is:

Lakewood, CO 80401

My sole proprietorship would be my own personal business that is not associated with my office which is why I contacted you and not someone in Denver County. I have looking into Sole Proprietorship and a Single Member LLC. You are correct I have virtually zero liability when I am speaking for _____ using the materials that they give to me, so I thought Sole Proprietorship would be a good route to take. I will seek the advice of a professional to help decide which avenue works best for my situation. Thank You for your time and the publication link. J K, Psy.D.

Denise,

Thank you for providing the information. I'm sorry I didn't get back to you sooner. Sincerely, B F

Hello Denise,

You have been more than generous, and through. This has given me considerable food for thought. I've also learned "resource center" is an understatement for the services you provide. Thank you so much! B H

Thank you so much for the list. K

Thank you so very much. I trust you will have a great week! *Cheers, P S*

Hi Denise -

Thanks for your kind words and for passing this information along. I had done a basic search and didn't come up with anything in the floral realm that would present any kind of a conflict. Today I'm doing related research and will purchase the domain name for a new website. FYI, the new name is: " _____ " ~ *Innovations in _____*

Will keep you posted as things progress - appreciate your support! All the best, ~ L D

Denise,

I had to extend another thank you for so many things...you managed to grasp my ideas long before I did...you captured it all in the name HDHP for which I am so thankful! The logo/brand is being created...you know I will send you the proofs when they are ready...still need names for 3 of the 4 programs, but the brainstorming is underway and a lot of fun! I have had interest in the Board of Directors...wow...and am investigating the grants scene...who knew?! Denise, what you do is invaluable...your knowledge is so vast and you are always oozing with fabulous ideas! I am so thankful for your time and how you just get me on the right track! You NEED/DESERVE a raise! See you soon...watch for HDHP updates coming soon! LW

I too enjoyed getting to know you and the good work you are doing. I will follow-up on the ideas you gave me. J R

Denise, Thank-you so much for the information. I apparently didn't receive your e-mail in December, although we were in a flurry of activity with floor plans and lease negotiations and finishing the business plan. I will look over everything and get back to you with questions. So far, things are progressing and anticipated opening is the end of May or beginning of June. S B, DVM

Thank YOU so much! I am busy putting some thoughts on paper...could you re-send me the cash flow chart...I have hard copies of everything, but would certainly benefit from the formulas! It really helped a lot to be able to sort out more thoughts...you are very good at what you do!

Denise, I would also like your guidance identifying some facilities (for lack of a better word) that I could contact on behalf of _____ regarding demonstrations of _____...We will see you soon! LW

Hi Denise,

Thank you very much. H T

Denise,

Thank you for the email and the information it contained. I will begin looking it over tonight after work. I currently have a "napkin" business plan. I have also just completed the business startup program at Red Rocks Community College. I look forward to working with the JBRC and appreciate all the info. Thanks, M W

(Voice Mail Message)

Denise,

It's D D. I wanted to let you know that I turned the information you provided over to marketing. We're already using what you sent. I appreciate you so much. Thanks for all of your help.

Denise:

Great to speak with you as well! I am excited! Thank you for this information. I will try to take in one of the classes, on a NON school night, which is Mondays. I will make time! Thanks for all of your help! It is appreciated! Stay well. G P

Denise,

I got it. Thanks so much for your thorough response and info. Warmly, **S S**

Hi Denise,

I appreciate your sharing your information with me today. I am the one that wants information of Medical Spas that might have extra space as well as places that need speakers for lunch and learns. I also would be interested in the DMCAR site for office listings. Thanks for your help, **S S**

Thank you for your time and input the other day. It was very helpful. And for the demographic info. This will help tighten up the plan. P G

Denise Stephens,

Thank you for your quick response. I appreciate it. B N

Denise, thank you very much for all the information. I am very excited about my new business venture. My business plan is almost complete. Also as an FYI, I left a message with Jeffco zoning department earlier today.

I will review the attachments, and get in touch with you when I am completed with those. I am taking occupancy of the building on the 15th, so I need to move quickly. Thank you again, L M

THANK YOU Denise!
Got it and will look over and let you know. L L

Hi Denise,
Happy New Year! Thank you so much for all of your assistance. I greatly appreciate you sending me the info. I haven't had the chance to look over it yet, but wanted to let you know that I did receive it. J M

Thanks so much for the help. I think I will work on getting in touch with them next week.
Merry Christmas! C L

Denise,
This is great. Thank you. D R

Thank you Denise! Perhaps I can share with you what I've come up with in the next couple of weeks.

I love the "_____ " idea for possibly a more macro level, like all eBooks are part of the "_____ ". This is consistent with my thoughts on making these eBooks concise, quickly-read and informative.

Also, I'm now thinking that the eBooks as previously mentioned should not include logic for assessing, but remain as just text for reading. I have thought though that a "_____ " could be a logical assessment tool for future development. I think that it will take more time to think about what it will do, how it will be presented, delivered while needing to be updated often.

Thinking of _____ for a second, 'what is appealing' and 'what is repelling' about their business model for organizations like yours?

Thanks!! Regards, M S

"Denise Stephens knows everyone in Jefferson County! If your business needs expert advice on "what to do" and "how to do it" you've got to sit down and meet with Denise. Denise is the consummate professional and is a wealth of information. I highly recommend Denise!" T H *(Posted on LinkedIn on December 28, 2009)*

Thank you so much for the referrals and the targeted contact list. I enjoyed meeting with you and I appreciate your efforts.
Happy Holidays, K P

I just received this Denise. I know how you're set up, no worries at all. I appreciate you and what you offer very much. Thank you. M B

Thank you doll! NC

Good Morning,
Thank you for sending these. Should I check in every so often for updated reports, or are we on some sort of list that we can receive these when they are issued? Thanks again for your time and Happy Holidays to you, K B

Denise,
It was a pleasure meeting you yesterday. Thank you for your time spent giving me an overview of the services provided by your group. Please keep me posted on your next "Business Gardening" meeting; that sound very interesting. I will follow up on the web site and with ___ over the next few weeks.

Please let me know if you can do a company search on the following criteria and what the count is. This would be ideal if you could provide this list.

- Privately owned
- 10-50 Employees
- Non-Retail; i.e. industrial, professional, medical, tech and/or general office users.

Thank you for your time and consideration. Respectfully, K P

"I recently needed some information and called the JCBRC to see if they could help. Denise was timely with her return call and very quick to deliver the information I requested. She responded professionally and was attentive to my needs. The Center is a valuable source for the businesses of Jefferson County and they are lucky to have someone at the helm like Denise. I encourage any business looking for information to help grow their business to more profitability in 2010 to visit with Denise at the JCBRC." KM (*Posted on LinkedIn on December 18, 2009*)

Denise,
Met with ___ and ___ this morning and wanted to thank you for hooking me up. These guys are great and I am looking forward to a great working relationship with them. I will be going forward with our plans and it looks like they will be very helpful in doing this.

I wanted to see if you could take a minute and either give a quick call or write back with a time that I could have a few minutes of your time. We are looking at the possibility of opening a location in unincorporated Jefferson County and I want to know who we would apply for our licensing, etc. with. I think it is the State-is that correct? Thanks L D

Thank you very much, Denise! I enjoyed meeting you too! I appreciate your candor and insight. M S

(Voice Mail Message)

This is N M and I want to thank you so much for the information. I can't tell you how helpful this is. D W said you were awesome and you are. I owe you! N M

Thank you Lovely Lady. L N

Denise, thank you again for getting this to us! Do you have lists of people's phone numbers at their workstations that work in the companies? For example, if we wanted to target a large company, do you have a list of all the phone numbers in that company? Make it a great day! S G

Got the list THANKS! C B-G

Denise -

I got your email....thank you so much for responding. Thanks you so much for the information! Have a great week! A B

Thanks again Denise! We appreciate this VERY MUCH! S G

Denise,

I just wanted to thank you again for getting back to me so quickly! If it wouldn't be too much trouble, could I please get a list of businesses in the Jefferson County area with 10+ employees? S G

Thank you very much! S G

Denise,

Thanks for the info. The mgmt. company handling the property called the County and talked to a person in zoning. They said it is not allowed. That's that I guess at this point. I am entertaining other ideas to help my business prosper now. I'm getting tired of hitting walls with this and I think that is an indication that there may be better ways to go. Thanks again for your help. Sincerely, L D

Thank so much for this info. L R

Denise,

Its not easy building your own business. But we are very driven and I know that we can get it done. You were extremely helpful and I really appreciate it. I will get in touch with you as soon as we get all of our stuff together. Look forward to meeting you as well. S H

Denise,

Thank you so much for putting this list together. My husband and I will go over the list to see who we are going to target for our mailing. We will keep you posted as to how it goes. Thanks! A S

Hi Denise,

Thank you so much for all your assistance today. Seems like we have a lot of work ahead of us. Anyway, I did receive your email and I will start on all this tonight. Thank you, S H

Thanks Denise, I really appreciated speaking with you as well. I wish we would have had more time and would love to meet again. I am inspired by other women entrepreneurs like yourself. I plan on working intently this weekend so will likely have some questions for you. Have a great weekend! Thanks, J B

Denise, I apologize! I'm duplicating my efforts here. Yes I got them. Yes they are exactly what we wanted. You're the best! B B-W

Denise,

Likewise; it was a pleasure meeting with you today. I am sending this email to confirm receipt of your email. I will look everything over tonight and let you know if I have any further questions. You have given me a lot to think about and work on, and I want to thank you for your time. E M

Hi Denise – thanks so much. I've got some reading to do! I'll stay in touch. K H

Hi Denise,

Thank you so much for meeting with me yesterday! I really enjoyed talking with you, and your ideas and referrals were very helpful. All the attachments opened with no problem. We have an appointment later this week with _____, and we'll be following up on your other suggestions as well.

I'd be very happy to participate in the interview for JCBRC, so please have _____ call me anytime.

Thanks again for your time and assistance. K M

Hi Denise,

I trust you had a nice Thanksgiving and are well rested! Thank you for the information – it is my goal to get the listing up and going this week. I would be honored to help with the quarterly report.

Let me know if I can help in any other way. ~M R

Denise,

It was a pleasure to meet with you last week as well and thank you for giving us so much information and encouragement about this new business venture.

I have set up a meeting for this Friday with _____ and will be meeting with our attorney on Wednesday to discuss our plan to move forward. Thanks again and I will keep you updated on our progress. Sincerely, L D

Thanks for being there for businesses needing a helping hand. Happy Thanksgiving. L N

Thanks Denise,

We appreciate your help in this exciting venture and will be in touch to ensure we are moving in the right direction as quickly as possible. Have a wonderful Thanksgiving holiday and be safe. R D

Denise,

You are awesome and this makes perfect sense. I really appreciate your suggestion of a more refined list since sending out 28K letters is expensive and I'm looking for a larger return on our investment.

What would this refined list cost and how soon could it be prepared? I've also checked out the Denver Business Journal for info and I'll research OEDIT, too. Thank you again and have a safe Thanksgiving. N M

Denise thank you very much. I really appreciate your help. J B

Thank you Denise,

All good things take time! Sincerely appreciated. Information is accurate. Regards, L C

THANK YOU!!! This is GREAT! C B G

Denise, Thank you so much for getting back to me on this issue. I can imagine that you have been very busy lately with this matter. I received all of the attachments without a problem. Once again thank you, all of the information has been very helpful. I will be in further contact with you and hope to arrange a meeting at some point. Once again thank you for the information and for the contact of _____. Have a great day. Sincerely E K

Thank you for much for the information, Denise ☺ Thank you, T H

Thank you, Denise - I did receive your email and attachments. I'm afraid I can't afford the \$250 seminar at this time. I am interested in getting an email list from you. Will read what you sent and get back with you. Thanks again – J B

I did receive your email thank you so much for all your help. Sincerely, J D

I did receive this thank you! We're working on the plan right now. We hope to have that wrapped up in a few weeks and then I'd love to schedule a time to come meet with you. Thanks again, A W

Thanks so much for giving them to us. We will definitely find a use for them. When they just showed up, it took a moment to figure out where they came from. The business forum yesterday at Red Rocks was a good experience for us. Thanks for the contact. K & J C

Denise, I can't thank you enough for all of your great suggestions yesterday! You are always a wealth of good ideas, and I appreciate your taking the time to share them with us. Sometimes I think we (in education) have our blinders on, and forget how to think like a business. Your perspective is always helpful to us!

Thanks again, Denise....oh, and what a gracious hostess you are; perfect lighting, nice big conference room, adjusted thermostat, basket of candy.....)☺☺ Hope to see you soon. N C

Okay, I appreciate you checking on that. I was also a bit curious about the specifics of what they offer, but wasn't really able to question the biz owner I was speaking with on that. Would have been a little awkward. Thanks again for taking the time. I had meetings yesterday with our first two potential clients which went pretty well, and we are doing some pro bono work for a couple of realtors, a health coach, and an accountant in order to get our feet wet and get the word out. Still on track! Enjoy the snow. T B

Denise,

Thank you for your work providing me with the direct mail lists! I will keep you informed on my progress. Sincerely, B H

The mailing lists are great! Do you have any advice on how to narrow the list a little more? Thanks! J H

Hi there,

Yes, thank you so much for all the information...It was very helpful! I will go ahead and get a business plan in place and we can go from there. I will be consulting with a tax person tomorrow regarding business structure, taxes, etc. Again, thank you for your time and follow up. I will be in touch after reviewing everything you sent. Kind regards, K H

I would definitely participate in the interview. You provide a valuable service and I'll do whatever I can to help. S T

Thank you Denise. Those were my thoughts also. I tend to be very skeptical and cautious by nature. I was just hoping that either the state or government actually did have some sort of grants available for start-ups. I wasn't expecting much but of course anything helps when you are starting out. I appreciate your input. Sincerely, J D

Appreciate the feedback very much, Denise. Will definitely take it into account if I continue with the flyer approach long-term. Thanks again, Denise. Look forward to talking with you again soon. T B

Denise,

Thank you so much for send this through. I will take a look and hope to get back to you with the formalized business plan by the end of the week. Like I mentioned this concept has been in the works for almost a year so I have the majority of the information together just not in a traditional format.

Thanks again and I look forward to getting your viewpoint as I move forward on this venture. Thanks, J B

Hi Denise,

I received your e-mail just fine. Thanks so much for your help! J H

Thanks Denise. I got a bit distracted and forgot to send you this flyer to review. I will definitely be looking over (and using) these resources and appreciate you sending. Will strongly consider the workshops as well.

Take care, Denise. T B

I really appreciate your interest in assisting our self employed Obligor. At a glance I like the form but will go over it later. I would like to include our _____ Specialist, _____, at the next meeting. Thanks again, K S

Hi Denise –

Hey Denise, Thanks for the info. I just got the e-mail today.
Thanks again!!! G G

Amy and Denise, I would like to extend my sincere thanks to each of you for the amount of time and preparation that you took to assist the Entrepreneurial students at RRCC last week. At first glance, the students appear to have great interest in the depth of information available through community resources like the West Chamber. I appreciate your efforts and the gesture to support the entrepreneurial spirit with the students. Many thanks D A

Denise,
I was able to download all of the forms you had sent me. Thank you very much for sending me this information. I appreciate all your help and will call you if I have any further questions.

Denise: I did receive the contact lists and they appear to be exactly what I needed. I did obtain a Jeffco Library card and the instructions for gaining access to ReferenceUSA which also should be very helpful. Thank you very much for your prompt response. T A

Denise,
Thank you again so much for all your help. I have contacted the majority of the people you gave me as contacts and either left messages or let them know who we are at least and what we are trying to do. I was very shocked by the amount of banks stating they will look into the CRA funding to see if the banks can help.

One thing I wanted to check with you on is I was advised to open a checking business account and with registering the company name with the Secretary of states office. Is that correct? Thank you again for all the wonderful information that you have provided you are truly my saving grace. Thanks, K R

Hello Denise!
Thank you for the e-mail. I did not make the last class as it had filled up. I decided to wait until I hear back from the City of _____. I need to have the health department issue me a permit for _____.
Do you know who I would talk to for that?

I do have a business plan on my computer down stairs (no internet on that one) but I will run down a burn a copy later today. I will email you later. Take good care and thanks a lot. B D

Denise!
You are amazing! I promise not to take TOO much of your time as I begin my research/learning curve...I need to get all of my thoughts on paper in a comprehensive format...read all of the information you have sent to me...regroup...schedule another meeting...LW

Hi Denise,
I have received your email with attachments. Thank you so much. H Y

These are great pointers, Denise! Thanks for all your hard work on this! KG

Hi Denise,
I was just looking over the last business resource email you sent out, and I was thinking of you. Thank you for sending them – I think they are very informative and useful. Also, I can't say how pleased I am with KM! She is exactly what CMS needed. I really appreciate your help finding a solution to my problem. Hope all is well with you. JD

Dear Denise,
Thank you for thoughtfully choosing categories for us! I sent the submission to Lee for review. I will get back to you. RP

Denise,
Received with thanks!! I appreciate your quick follow-up. It was completely my fault that we did not touch base sooner. Thanks again, T S

Denise,
Thank you for all the data. I have reviewed it and will attend the small business development classes. Thank you. This Small Business start up is similar to peeling the layers off an onion. I have a lot to learn. We will develop a business plan and have that available before the 8th. Hope to talk to you soon. Thanks again for everything. B A D

Thank you so much Denise for your promptness. It will be nice to be able to talk with you more about my ideas. Have a great trip! K J

Hi Denise,

Your e-mail came through great. I haven't had time to open all of the attachments yet, but the ones I have tried, have opened without a hitch. Jayne spent three hours with me today. Her information and insights were terrific. Barry and I both greatly enjoyed our time spent with you and found it very helpful. Thank you very much for your time and your information both that day and in your e-mail, as well as, recommending Jayne. Thanks to both of you, I feel I am much more on my way to becoming a successful business owner. Sincerely, R S

Denise~

Good morning and happy Tuesday to you. Hope you fared that hail storm well that we were blessed with last night. THANK YOU so much for all of your time and efforts and all the resources you have helped bring to the table. It was wonderful meeting you Denise and I look forward to both seeing and talking further with you. In regards to your e-mails, speaking for myself, I received both e-mails and was able to open all attachments on both of them. If they bounced with Carole's e-mail address no worries, I will be sure to share. Take care and many thanks again! C A

Hello Denise,

I have received your email with all the amazing information. I really hope this will help my business. THANK YOU very much!! G W

Hi Denise,

I think I was supposed to do this a while ago....I have been using that list and it has been good to me. J M

Hi Denise,

Yes, I did get all the attachments. Thanks so much. D S

Good to hear from you Denise. Thank you so much for your message. I appreciate you! R C

Thank you so much! You are awesome! Have a great week! K B

Hello Denise,

We have been able to get some quotes, and we appreciate the information you have sent. I will use this positive resource once a quarter for now on. I think this will make the process much smoother. Sorry for the time over.

I can't tell you how much you have meant to me and the staff by providing this information. You are a one woman machine, and need a metal for your effort. People like you should have more staff and less stress. We will hold off on the request and look into doing something in 4th quarter. Again I think you work very hard and let me know how I can help.

I completely understand your situation, and know how hard you work. I will keep building a business here in JeffCo, and appreciate all that you do. I would also like having seminars at no charge for the JCBRC on insurance.

We will talk with you next quarter, and hope you have a great rest of the summer. Take care, C S

Thank you for your advice and ideas!

I really appreciate you spending your time with me. I always feel like I have a better plan of where I want my business to go after your visits. Sincerely, J D

Denise,

Thank you for taking the time out of your busy schedule to meet with me. Looking forward to the information your are sending me. Started reading The Colorado Business Resource Guide that you gave me. Great information, I did not realize that there was so much help available. I need to read more in the book and then schedule an appointment. Best Regards, D C

Hi Denise,

I received this thank you, you work fast! When I returned to my office I had an inquiry from a past participant, who also happens to be a hair stylist and she has two clients interested so targeting this market could be good.

I stopped by _____ and met with _____. It's a nice space. One drawback for me is the building is locked at 6PM so doing any workshops would require me to be at the door to let people in. I'll still keep it in mind though and it's good to see what is out there.

My class is listed in the Golden Transcript for April 21st, but they left out my contact info so I'm asking them to post it again.

Thank you for your assistance, you are a real pleasure to work with! S G

Got them - I'll be in touch once I've had a chance to take a look. Thanks so much Denise! E S

Hi Denise:

Just wanted to follow up with thank you for your time and input Tuesday.

I'll do that along with preparing a flyer and outline for an Email Marketing seminar. I've been swamped with proposal requests (usually a good thing) and finishing up a couple projects, but I'll get to both of these tasks next week.

I talked to _____ at _____ to let her know my background with business plans. Thanks for that suggestion.

Other ideas you had - group e-newsletter (economic development group, e.g.) and helping insurance agents - are of interest too. If you have any input, contacts or suggestions on how best to follow up on those ideas, please let me know.

As I mentioned, the insurance agent I set up indicated other _____ agents liked what he's doing and he said he'd pass my name on to them. I may send him the analysis write-up and ask if he'd mind forwarding it to (selected) other agents. I'll forward his last newsletter to you so you can see what we set up and what he's doing with it. The subject line will say "News _____ Agency".

Thanks again. I'll be in touch. L B

Good Morning,

Thank-you SO much for coming to Conifer and speaking to us last night. I had numerous comments from people who had no idea all that you have to offer. I'm sure you will have many calls from those asking for help and advice. I'm sorry we didn't have more time and yet I've found that people get tired of sitting after 1 1/2 - 2 hours. So it probably was perfect timing. At some point in the future I would like to ask you to come again, maybe in a different forum or format. So much is happening in the Conifer area right now and we will need all of the help that we can get.

I personally will be calling each of you for help with different aspects of what we are doing in our _____Teams. Thank-you again! S J

I am on the road but wanted to take a moment and respond to your e-mail.

Thank you for the contacts! I look forward to following up upon my return to my office next week. And I am so very glad you like my DVD on Merchandising and Visual Display. As I said, it comes from my experience on the "front lines" of retailing over 25+ years. I share what worked and what DIDN'T work! Let me know how you like the Advertising and Promotions DVD.

I'll talk with you in the near future—and again, thanks for your help on all of this. I look forward to helping your small-business community with their professional growth! Many thanks, L D

Thanks very much! D S

Denise,

Thank you so much, this is wonderful! I have a good friend that is an Excel Wizard, so I know that he can easily tell me a formula that swaps the first name and last names. So, if we want to go that route, I know we can get it switched.

I definitely appreciate your time and very excited that you offer this free service! Do you know if other counties also offer this service? Highlands Ranch - Douglas County is typically a great area that Jon already works in a lot. Thus we also would like to see if we can get a list for this area. I can definitely do more research, but just thought I would ask you to see if you knew. Thanks again! L C

Sorry I did not respond sooner.....I seem to have received all of the emails you sent.
Thank you so much for the information and research you have done for us!!! J S

Hi Denise!
It was wonderful to meet you too! I couldn't believe we had talked for 2 hours!

One question...are the Business Associations, Economic Development and Human Resource Services you sent me, all organizations you would recommend I contact to do a free speaking engagement ?

My website is launched! It is... [http://www. marketingplans.com](http://www.marketingplans.com). I'll let you know how the contact with _____ goes. Thanks so much! J M :)

Hi Denise,
The pleasure was all mine. I could have stayed another 4 hours with you...you have some great ideas! I think that I have been dealing with allergy issues the last 3 days...runny nose, sore eyes and a dull headache...oh well I will get over it.

Thank you so much for the Business list, Intelligence Report and the Sponsorship opportunities. I will get on everything ASAP and follow up with you shortly. Sincerely, **T P**

Don't know how my email got coded or garbled or whatever. My email was a thank you for the lists you sent and to acknowledge I had received them. Thanks again. D A

Denise,
Thanx so much for expediting this for us! I sincerely appreciate that and also the feedback on the postcard! We'll go to press with it soon... Did you make us a new category for the website...? We seem to be the only IT company listed!? Have a wonderfully relaxing weekend... Talk with you soon... Kind regards, D M

Denise,
Traci and I truly appreciate the time you spent with us last Monday and the time you have spent on research. I attended the DNC training on Wednesday and thoroughly enjoyed learning more about Denver and the tourism business. I got a lot of good information and contacts. We would also like to thank you for the list of companies and contact information. We will follow up with them in the next few weeks. We leave town tomorrow for 5 days to meet with Corporate and we will express the concerns about our website that you had shared with us. Thank you for those comments. Thanks again for your help and if you have any more lists in the future, we would greatly appreciate receiving them. Have a great day! G P

You are "the expert" on all things confusing. Sure you don't want to start another business yourself? S A

Great resources-- thanks. Are you saying that SBA lenders and Micro Lenders are unlikely to fund a start up, even if you have good credit, collateral and an excellent business history? A B

Denise,

Thank you so much for taking the time to send us the information – you're wonderful! N T

Found the Business Intelligence Report to be very informative, easy to read, and full of practical advice
Thank you for this wonderful service. J S

Denise,

WOW..thank you so much for your quick response and for all the helpful information! It will help a great deal. I just have one question about the optometrist excel file you sent. Are those only optometrists within 5 miles of the practice I am looking at purchasing? The reason I am wondering is because I don't see that business on the list. So if you could just clarify what the list is representing that would be great! I would really appreciate it. All of this information will be so helpful--thank you again! My husband is actually a commercial/business loan officer so we will both be looking over the numbers and running them by an accountant who is a good friend of ours. It's nice to have financial minds to help my doctor mind :) Thanks again, L L

Denise,

It was a pleasure to meet with you. I appreciate all of your helpful advice and information!

Thanks, T S

Thanks, Denise! I got both emails, but I appreciate your checking. It looks like a very useful list. Best, C H-P

(Hand-Written Letter)

Just taking a moment to extend my gratitude and thank you for your help with my business. I am looking forward to implementing the ideas you have given me and really build my "team of colleagues" based on business skill instead of rent money. You really encouraged me to ask for what I need and reminded me that we really do offer an opportunity of a lifetime for the right person. Plus, you gave me a fresh outlook on the areas that can and should be addressed.

The ad for business opportunity was emailed yesterday. Thank you for distributing it around; let me know if you get any response or have any wording ideas to make it more effective. If you come across anyone who fits in with our operation, I would love to get them set up here and get on the right track with my next group of tenants. I did pass along your phone number to Jolene who may be contacting you about setting up her own business. She seems to want me to commit to her that we would train her on the laser and with the injections. I told her there was a possibility to grow into this stage, but the first step was to start and grow her own business and take care of our client's needs. (In case she says or thinks anything different when you talk to her.)

Your time and expertise are invaluable to me. I value and appreciate your effort on my behalf! With Sincere Gratitude, J D

Hi Denise,

Thanks for sending this, it's very helpful. E O

Denise thanks for sending this to me. I hope you're not like me and do lots of my "remembering" in the middle of the night. I keep a pen and notepad next to my bed for that purpose. I'll call you if I have questions. P G

Hello..the Biz Intelligent Report is outstanding...thank you for sending this to me. Wow! Truly yours, N C

Thanks, I appreciate the feedback. D S

Denise,

Thank you for your kind reply ... I am out of town and will give you a call on Friday when I get back. Sincerely, M P

Hi Denise,

Yes, I found the information to be very useful. Especially the handout booklet. It was like a MBA crash course! I'm going down the list; I think it'll take me a month or 2 to get everything done. Then I plan to schedule a follow up meeting with you and Jayne to see how I'm doing. S T

Hello and Happy Valentines Day to both of you! Hope you're doing well with the snow that fell over night and is falling now. I wanted to let you know that I am getting work from the flyers I made and distributed, things are definitely looking much better. I have 4 people that I have worked for so far and I'm sure the list will continue to grow. One client is a property management company, another lives in a condo and the other two have rental properties and their own homes for me to provide services for. I wanted to follow up and give you the latest news. Thank you both for assisting me with developing my business, I'm sure to be calling again for further assistance. Have a great day! Sincerely, R R

Denise,

Thanks so much for the information. Wow! That will keep me busy. Thank you, S A

Denise

Yes – I did receive it. Thank you very much – I did mean to send you a thank you last week but I have been remiss. I have been very busy the last week closing out a real estate project I developed here in Golden. I needed to see that all the punch list items were addressed while the weather was cooperating. With today's cold weather I plan to settle in with a cup of tea and study the demographics – how inviting! ;) Best regards, H C T

Denise,

I wanted to share with you some follow-up on the assistance you and your office provided me and my small business efforts.

Again, I sure you can't recall everyone that you've helped along the way so as a refresher, the business I met with you about is called: _____, LLC, a consulting firm for career development system design for law enforcement agencies. I think the status remains about the same as I had mentioned earlier. I have contracted two agencies, one of which is complete. I've placed all marketing of that business on hold for a short time to afford me some time to build upon another related service dream detailed below.

This new second business venture is actually the second half of the previous business effort as the first focuses on Professional Development while this new business effort will focus on Personal Development. I was able to attract a PhD and a PsyD, as well as a couple others to this effort and it has now shaped into what we have come to call: " _____," or " _____". We have almost completed our curriculum development for one of our core/foundational workshops entitled, " _____" and have planned our first application of this specifically for Peacekeepers in May of this year.

Anyway, we have structured a board of directors, and have filed for non-profit status. I was wondering if you provide any guidance for the development of non-profit organizations as I would like to take advantage of your services again. Specifically, marketing and other issues that you might be able to shed light and direction on would be great. If you could provide this type service I'd be interested in bring two of my board members with me to realize a collective benefit. Again, thank you for what you've already done for me and I look forward to hearing whether you or your agency might be able to help us for this new business venture. G M

Thank you....I thought about going to the Insurance Department....Nicely done. M B

Thanks Denise,

Happy New Year! Kathy

Hi Denise,

Thank you for this info. It is good to know who in Arvada is taking advantage of your services. LK

Perfect - Thank You! Lds

Denise,

Yes, thank you much. I had a chance to speak with the other contact you gave me R D Insurance. He'll refer me to someone who does that type of insurance.

Thank you for your assistance! & Happy Holidays! SP

Thank you so much!!

Have a Happy Holiday – Jackie

Denise,

Thank you for the kind words. I appreciate your help, and support. If there is anything I can do for you, let me know. I've put the Iraq and Wal-mart documentaries (Both by the same director, consequently) on my Blockbuster Queue, so I'll get back to you when I see them. Thanks again for the lead- there's so much to see out there that recommendations are always helpful. Thanks again! Sincerely, J S

Thank you for referring Gil G. to me! I will definitely be able to assist him with his computer needs. Thank you, T H

Denise,

It was a pleasure meeting with you yesterday. This is great start and it is going to help a lot.

Thank you much for your assistance! S P

Wow, thank you so much. This is a tremendous help. I will definitely start with this and see how things go.

Thanks, H F

Sorry, I swear I sat down a week ago to reply to you. I have been typing up drink recipes and there are pop quizzes now. I still do not have the clips that will hold the thermometers but we will get them. The menu boards will soon be replaced with permanent ones. I'm not sure when, I need to see if we can use the old ones and just get them rewritten. The learning curve has been absolutely brutal. No amount of study can prepare you completely for this business. I was glad we started slow. Between learning the business and handling personnel it's been nuts. I think we may actually relax come Christmas. Thanks for you input. I value the experience you can share. Yes we still need bins etc.... Debi

Denise,

I enjoyed meeting with you and appreciate your generosity. I look forward to meeting with you again in the near future. I'll be in touch soon, thanks again! Best, S B

Denise,

Thanks for all of your help - I'll give you a call when I've had a chance to look over the lists...
Sincerely, C B

Good afternoon Denise,

I did receive both emails, thank you very much. I'm just now in the process of going through everything. It looks like there is a lot of information; I'm excited to read through it all.

If I have any questions about anything you put together for me, would it be ok if I got back to you with questions? I really do appreciate all of your time Denise, thank you. M B

Good afternoon Michelle and Denise,

Thanks for taking the time yesterday to learn about L____B____ and our proposed move to Jefferson County. We very much appreciate your knowledge and professionalism. As requested, I've attached our real estate (structure/location) requirements. If you have any question please give me a call. As discussed with Michelle, I'd like to complete a ride-a -long with you to see prospective facilities on Dec. 5 at 3:00PM @ your office). Also it would be great if we could meet your key contact(s) in Golden or other locations. Thanks.

PS I've also attached the menu for the restaurant, [____Repeal Dinner] in Littleton, for Dec. 5, 2005. Be a good night to network with some of your clients, etc. Thanks for asking about it.
Talk to you soon. Regards, B L

Dear Denise,

Sorry I did not get or see this message until just this moment. Thank you for the info and help. It also was a pleasure to meet you. I think the word I'm getting from some people is to go LLC. Any more info on that would be great.
Thanks again and hope to see you soon. Chris K

Denise - thank you so much for the information. It was great meeting you last week and I hope you had a nice Thanksgiving break. I'll touch base with you as I progress. Thanks again! H S

Sincerely, R R

Denise,

Thanks so much for the two residence spreadsheets. I appreciate your time in doing those. I was wondering if your data base lists names so that I could use them as a mailing list as well as a "door hanger" campaign.

I am doing some research on how to optimize my web site, including search engine optimization. I did not receive the contact list of various professionals for graphic design help. You mentioned M T at RRCC. I will call him after the holiday break. Thanks again for your assistance. J H

Denise,

Thank you. This is great. Enough names to get me started but not too many to overwhelm me.
M S, CPA

Hey Denise,

It was good to meet with you, too. Thanks for all the information. I'll be in touch as to what I'm doing next. Have a good Thanksgiving. I'll be out of town for it myself.

Denise,

Thank you for the info and I'll expect a call about the 'Secret Shopper'. I am very anxious to have that service done as we have just redecorated the Gift Shop. My daughter and I rearranged everything and have ordered five new lines of products since the meeting last week! I am so excited and our sales have already increased. Thanks for the help. Sincerely, L D P.S. Stop in sometime and see how we are taking much of what we learned in the workshops and using it to our benefit here in Olde Town Arvada.

Thanks so much, Denise. You're a doll! K W

Denise,

You are awesome! Thank you so much.

I have one more favor to ask of you. I am filling out the RFP for the Denver Metro Chamber of Commerce and it asks for the name of someone who's heard me speak. Do you mind if I put down your name? Sincerely, S T

Denise,

Thanks for all of this info. You are correct, I have less than \$2,500 worth of business assets.

Even though I won't owe taxes on this, do I still need to report the valuation, and if so – when?

Thank you so much for coming by to talk with me in person and also for providing me with all of the information you sent.

I have been following up on some other leads, the constant contact web site and also have spoken with Mare, the marketing consultant that you and Jayne recommended. I think she is going to help me put together something for my email list. I am focusing on that right now, but I hope to use your mailing lists too.

Thanks again for your help! K D

I did receive the 1st one. I have been too busy to reply (or even look at the docs yet). I have an appointment with Jayne in 2 weeks. Thanks for all the help. a k

Thank you. Government offices by reputation are thought to be unhelpful, cold, etc. You have been a valuable source of information. I have told several folks about how helpful you have been. You can forward this to your supervisor. D A

Denise,

Thank you so much for all the info. I'm still digesting it as time allows. We moved last month and I'm still digging out from under all the cardboard. Of course, all the excess is in my garage, which is also K S production facility!

I will be in touch as soon as I can. Thanks again, G G

Hi, Denise,

Thank you so much for all of the information. ST, Ph.D

Great! Thank-you very much. SW

Denise,

Thank-you! for the excellent information. I feel bad though having to tell you in hindsight I should have given you zip code 80127 which includes the Ken Caryl Business District, not my personal zip 80128. I only just now figured this out by checking a couple businesses in the district on Schaffer Parkway, i.e. USPS and Siemens Building Technologies. Would it be too much trouble to check 80127 also? I do apologies for the confusion. Sorry...SW

Thanks so much for your help, Denise. MR

Good thinking attracts good news. You must have known A M-B & I were talking about you at today's Golden Chamber Community Development Committee meeting. All good of course!
Things are developing here, albeit considerably slower than I had hoped. Finally, my resources are gathered and am moving forward on a business plan. This is a good lead for the new GCOM.
Thank you! I will contact Debbie Woodward and register to attend if they allow. The GCOM business plan should be ready by the 15th. I will get you a copy soonest. Thanks for your help and support.

Denise,

I appreciate you sending even more resources my way. Things are going well with the business, but, after talking with the insurance broker you gave me the number for, I'm not pursuing my dental discount plan as quickly right now. I may still try to do something with it, but right I haven't had time to look at it too much which is a good problem.

Thanks for everything, M R

Hi Denise,

It was good to see you, too. We just met with Priscilla as well as her marketing person, Monica, today. Not sure yet where it might go, but we seemed to connect on a pretty good level. Introducing her to how video can work and at many price levels seemed to really go well and she passed on some other names of contacts that could be profitable. It will be interesting to see how it all plays out. We also gave her one of our demos. I was thinking I would try to get in contact with Jane here in the next week or so, but wanted to see if you had passed our information on to her first. It will probably be next week at this rate, since I'm already booked solid this week. I'll not complain!

Really appreciate the Medical Info. I am working my way through the Advertising Companies now and out of the five real people I got to actually speak with, four of them asked for our information. Woo-hoo!

One thing that Priscilla did mention was perhaps joining at least one Chamber of Commerce. Is it difficult or expensive to join the West Area one? Just curious. I think it could be a great way to introduce ourselves to the community and what visual communication can possibly do for them as well. What do you think?

Thanks for everything and I'm sure I'll be emailing you again soon. Sincerely ~ J T

Hi Denise,

Thanks to you I have a much clearer vision of how I need to move forward. I appreciate your help. I will keep you posted. Take Care, C R

Denise, Thanks very much for following up on this. CM

Hi Denise:

Oh my goodness - do I have my work cut out for me! Thank you Denise for sending me the two lists of businesses in Arvada, Lakewood, Westminster and Wheat Ridge. I didn't realize there were so many small businesses in the areas I am looking at.

Thank you also for the document with suggestions on selling points from the clients perspective as well as the Enterprise Zone Brochure.

I enjoyed meeting you! You have been most helpful and I appreciate your suggestions, your time and patience in discussing the possibilities and opportunities that are available. Thank you so much! Sincerely, I B

Hi Denise,

You are a phenomenal person. You are so thoughtful to take the time to review and redo my information and send me the non-profit lists. You barely know me, yet you are so giving. I will always appreciate your kindness. Thank you. P R

I need some clarification about the three lists you have given me (both non-profit Jeffco and the CO Economic Development Agencies). Are all three of these lists involved in the economic development side of non-profit? Also do you think it would be beneficial for me to send information to every organization on these lists? Or would you advise me to pick and choose certain ones, and if so what would I base my decision upon?

I am aware of www.canpo.org. Are there any other websites that list current openings in non-profit?

I look forward to hearing from you. If there is anything I can ever do for you, it would be my pleasure to help. C R

Denise,

Thank you so much for the quick follow up. I am very excited about the service you provide and am grateful to have tapped into that. I appreciate all of your help so far and will keep you posted as to how this all pans out.

Sincerely, L D E A H A C of Arvada

Dear Denise,

Thanks again for the energizing co-creative session. Your Edward Lowe suggestion was the perfect next step in creating training-licensing-distributing framework for the launch here & abroad. I look forward to our next session on Tues. 3/20 at 9am. Spring is on the way! P R

Dear Denise,

I wanted to (belatedly) thank you for your resources and excellent follow-up. I very much appreciated your checking the website and your excellent suggestions.

I am thinking of getting bids on a marketing package – that would “brand” several components using the core logo – workbook cover, website, marketing handout.

I will let you know what happens. (I wondered if you also recommend either of your previous suggestions for reviewing marketing content? Or if you have another source?)

As we proceed, we will certainly be in contact. I would be happy to do a session to familiarize you and others on the product – let me know if the need or interest ever arises.

Hope all is well. Thank you again for your time, and effort to assist. Jeffco is very fortunate to have you as a resource.

Best regards, MC

Hi Denise,

I enjoyed the seminar on websites, it was very helpful. Is your office going to purchase a license for the software that analyzes websites?

Also I was wondering if you still have that article that you sent me about the grassroots music venue – I think it was in London. If so, please resend it to me. Thanks! R D-C

Hi Denise,

Thank you for all of the info-I have been in CT these past few days but am going to go through all of the resources you sent tomorrow! I have an appointment set up with Jayne for this week also, which will be helpful I am sure. Thank you again, Sincerely, V – MGO

Hi Denise!

Thanks for the great session this am. I have studied Edward Lowe's Peerspective model.

I have also reached out for informational support to a couple who own a TAB franchise.

We will set up a meeting to discuss both models and their relevance to “_____”.

Below find O W Cs' links...they will introduce you to my creative agency!

Denise,

Thanks so much for this information. I think it will be a huge help!

Happy New Year!

I so enjoyed meeting with you in December. You were a very helpful and objective voice. I am making progress, albeit a bit slowly, until school resumed this week. I will be contacting Jayne soon and hope to make good headway the first part of the new year. The "sticks" website and business is very impressive.
Thank you again. J M

Denise,

I have done some research, and it looks as if I can get post cards made and mailed for about .28 a piece!! I am so excited! Thank you again for your helping me compile a targeted residential list (as well as the contactor list).....That is HUGE!

I have been telling all my friends and relatives how great you and the Resource Center has been, and how lucky I am to have the support.

Look forward to hearing from you soon! S

It was nice to meet you as well. Thank you so much for your time and help, and look forward to seeing the residential version. By the way, you must be good luck for me. I got a call today to do an estimate! Thanks for all the good Karma!

Thanks again, C C

(Hand-Written Letter)

Dear Denise,

Thank you very much for your time this past Thursday. I truly appreciate how closely you listened to my concerns. Your understanding of what I need to be doing to enhance my business was outstanding. I can't tell you how much it meant to me to be able to talk to another professional since I've been working on my own these past twenty years without benefit of a "sounding board". Your feedback was excellent.

I am enclosing the brochure I neglected to bring to our meeting. You might recall that part of what I am trying to develop is more work along the lines of mentoring in the school system. Hopefully my brochure will give you more of an idea of what I would do with this program. I look forward to our next meeting. Sincerely, L H-K

(Hand-Written Letter)

Dear Denise,

Thank you so much the time you spent with us. R and I left our meeting encouraged and directed. The seminar yesterday at the Fairgrounds was also very helpful. We look forward to meeting with you again sometime after the first. KM

WOW! This is a lot of great information. Thank you very much.

Denise,

Thank you so much for all of your help and insight!

You really were a great help. You're fast too! I wasn't expecting anything until the middle of the week.

I will make sure to keep you posted on any changes. Thanks again, A S

Denise;

Thanks for the information! We continue to gain much insight from our meeting with you and M P. We are very interested if you may have the time to do some Market Research for us as we develop our sales strategy. We would love to get the names of all Denver Metro Elementary Schools (Public, Private, and Parochial) with the median housing or salary per household and the Principal's name. Is this possible or asking a bit much?

Hope you are enjoying the beauty of Autumn. Sincerely, R A

Denise,

Thank you very much for your assistance. I did call the lady at RMAS for the post card but, she hasn't responded yet. Meanwhile I will think of another alternative in case the post card and mail list are over my budget.

Again, thank you. S K

HI DENISE:

I JUST WANTED TO SAY THANK YOU FOR YOUR TIME ON TUESDAY. I'M SO EXCITED ABOUT THE THINGS WE ARE GOING TO DO TO GET THIS BUSINESS OFF THE GROUND, AND SOON.

SO I HAVE ALOT TO LOOK FORWARD TOO.

Looks like I'm going to get rich. It's never too late for that, huh?
I will definitely keep you posted. JJ

Denise, thank you so much! I haven't had time yet to call Jeff Gilbert, confining all this to the lunch hour. I am heartened to know that you think the concept is viable, and I am eager to connect with Jeff to begin the process of developing a plan. This is exciting and daunting. K W

Hi Denise,

Thanks for all of the information that you have provided. We are partnering with another theatre company _____ operated by P P, and he is helping us to implement some new marketing ideas. He is interested in the new businesses list that you said you might be able to provide, and he may have some other questions, so I am copying him on this message. Thanks again for your help. R D-C

Denise....Sorry it as taken me so long to reply...I really enjoyed our meeting and appreciate all the advise and information you sent me...Thank you ...Jane

Hi Denise,

Thanks for getting back to me so quickly.I think that Jeff is asking me to go thru this part of the process, as an "exercise," more than anything. Because SOG is a concept that is "new"--and not known to the general public, I was [forced] to think in another way--to know just exactly what I would say and how I would describe SOG when someone asks "what is SOG?" Plus, it gives me a short "sales speech" to pass on to others who will be working with SOG in the future--giving them a "canned" description to use when they are asked "what is SOG?"

Good point, re: "SAHM's" (StayAtHomeMen??--we should copyright that one!)At this point, I think that to market to women only--would be a smart move. I think it has greater potential and is a core to the philosophy of SOG...maybe later on down the line to SAHM's. At this point the focus of directing a business to women, is to foster the self-reliance, the ability to make money independent of their husband's [if they're not single mom's], have the ability to support their families if they are the sole breadwinner--all while achieving the "balance" of raising their own children and paying the bills - at the same time. This topic would be better addressed over a cup of coffee!!

I'll get this concept paper over to Jeff, and see what he says. Over the weekend I'm getting started on the rest,--up to the marketing phase--and hopefully I'll get that to you for your review, early next week.

Thanks again, Denise. I really appreciate your mentorship...K

Hi Denise,

It was a please meeting you as well. We are both impressed with the promptness of your response, and yes, the information will be extremely helpful. I'll put together a tip sheet on at least one topic fairly soon for your review - I have family coming in town so it may be the middle of next week. Thanks again, we'll be in touch. J and J

Denise;

Thanks for all this info. I talked to G S and he was very helpful (hopefully he won't charge me for the initial phone consult). I will be drafting up my lease proposal with Coldwell Banker (my agent) tomorrow.

I also wanted to let you know that my phone number has changed from_____. Just so you can update your database or whatever. Thanks; D M, DC

Hello! Denise,

I talked with my web page manager about the pay online system he found a problem and corrected it.

Thanks for letting me know.

Hi Denise,

You're right we are back and I would like to make an appointment with you, so I will give you a call on Monday to arrange it. Our initial predevelopment meeting with the _____ went well. It looks that building on the land is no problem if we follow certain guidelines. I would need to put together a business plan, and get statistics on diabetics and people with food sensitivities in the Metro area and Colorado. I already have a good idea of the national statistics. Our product is premium quality and as such is directed at the part of the market earning above \$75,000/annum. However, this does not mean that people in the \$30,000-\$50,000 are not going to buy it. Many times these people will "trade up" in certain categories and certainly if medically necessary to be on a gluten free or sugar free diet, they spring up to get something that tastes great.

Our mission is to be the bakery that provides gourmet baked goods that have a luxurious taste and are smart for your health. The number one complaint of celiac's (people with severe gluten intolerance) is that the existing gluten free products don't have good taste or texture. So, we are aiming to change that.

Thank you for the reminder and we certainly look forward to the help. Sincerely, M D

Thank you for the referrals. I would love to have another graphic designer in my resource pool. And I would really like to help Mr. B. It's funny how people look at marketing... so many business people feel that they can do it on their own. Unfortunately, it is one of the tasks in small business that is easy to push under the table. On the other hand, it really is vital to get your name out there with the right message, etc. and not wait too long. It's one of those things that you don't necessarily see immediate results, so it's tough to budget for. I do understand.

I am just completing a big project with a company who contracted with me to create messaging and we ended up re-branding them. It was so much fun and their materials look so much more professional now. I am thrilled, and so are they. We are in the process of redesigning their website, which was a huge project, but it, too is about complete.

Anyway...thank you very much. I truly appreciate the assistance. Have a great day...M T

Denise - Thank you for spending so much time with me this morning. I really enjoyed our conversation and sincerely appreciate your insight, comments and suggestions regarding _____ and the small business community. I also want to thank you for providing the resource and contact information. They will be very useful and save me quite a bit of time.

I am looking forward to working with you on the support of the small business community and developing JCBRC as an invaluable resource for these businesses. Please let me know if you have any questions or need additional information from me. I'll be in touch next week to discuss a _____ program for JCBRC. Best Regards – Steve

Denise- Thank you so much for the lists. Thank you also for the help. You gave us some valuable ideas. It was a pleasure to meet you and it is nice to know there is someone we can reach out to for advice and help.
Thank you again, Karin

Dear Denise,

I was very excited to get the brochure from BRC. You really offer a lot of services. Hazel is an amazing resource. We truly love her.

Here's the plan. In the last 5 years _____ bakery has ventured beyond traditional baking with great retail success. We have a line of baked goods that are gluten free, low in sugar and sugar free. They are amazingly delicious. The market for gluten free is growing and diabetes is running rampant. These products are necessary in the lives of many people with restricted diets. We would like to bring these products to market, but in order to do this we need to design and build a dedicated facility. We have been actively pursuing this idea for about a year now and we recently purchased the assets of a Boulder company called "_____". The assets include necessary equipment as well as their accounts which include 11 gluten free SKUs. _____ operates in Boulder and distributes product both in Colorado and other states. We would like to move it to Arvada. The company has one successful gluten free, low sugar cookie in the marketplace and we now own it (as if we didn't have enough cookies at our bakery)!

We have some available land adjacent to our bakery currently in Arvada. We would like to build the gluten free facility on this land. It will be very convenient for us to manage.

We have a great management team, which includes my husband, myself, and the former owner of Springbakehouse who is a dynamite marketing person. The new facility will bake product for distribution in specialty grocery stores (such as Vitamin Cottage, Wild Oats etc.) and continue to do the baking for our retail store and our internet sales. The front of the new facility will be a gluten free cafe and market with sit down _____ is pretty much takeout, with some public seating outside on the brick sidewalk.

We would definitely need help with putting a strategic plan together as well as the financing of the new building. It looks like we could make use of quite a bit of the services on the brochure. We would like to make an appointment with you, after August 2, as we are going to Europe for a wedding on Wednesday the 12th.

Thank you again for the quick response. Sincerely, M D

Oh, that sounds like a great idea! You all have been very helpful (especially in thinking outside the box)!!! Barb

Barb,
Hazel Hartbarger from the City of Arvada gave me an excellent idea. I am contacting the auto brokers and dealers who are members of the chamber. I will see if they will provide names of buyers and if they won't, perhaps they will refer Honda and Acura buyers to you. I will offer services of the JCBRC as an incentive.
When I have more information, I will let you know. Thanks, Denise

Denise-

Thanks for your time today, I called Rob and could barely keep up with my notetaking, he provided me so much information in 10 minutes. I will follow up on some of your other suggestions and leads and then plan another visit next week with Jeff.

Thanks! -C R

Hi Denise.

It was nice talking with you yesterday.

Here's a summary of what we are offering.

K A DYE

Thanks so much Denise for all your help. This is great information.

I was wondering if we could maybe get more specific with the Income by Age demographics and do them by individual zip codes in Arvada, Golden, Evergreen, and Wheat Ridge, instead of by town.

Let me know if there would be a charge for that. Thanks again. MR

Thank you both for responding as you have. It is indicative of our time/resource conflicts that I am so behind in sending this to you. We look forward to a strategy meeting and any assistance you can provide. Thank you for your interest in G W C and your contributions to the community.
